§52.71

afforded the opportunity to contact these agencies.

- (g) Work . The participant has the right to—
- (1) Refuse to perform services for the facility;
- (2) Perform services for the facility, if he or she chooses, when—
- (i) The facility has documented the need or desire for work therapy in the plan of care;
- (ii) The plan specifies the nature of the services performed and whether the services are voluntary or paid;
- (iii) Compensation for (work therapy) paid services is at or above prevailing rates; and
- (iv) The participant agrees to the work therapy arrangement described in the plan of care.
- (h) Access and visitation rights. (1) The program management must provide immediate access to any participant by the following:
- (i) Any representative of the Under Secretary for Health;
- (ii) Any representative of the State;
- (iii) The State long-term care ombudsman:
- (iv) Immediate family or other relatives of the participant subject to the participant's right to deny or withdraw consent at any time; and
- (v) Others who are visiting subject to reasonable restrictions and the participant's right to deny or withdraw consent at any time.
- (2) The program management must provide reasonable access to any participant by any entity or individual that provides health, social, legal, or other services to the participant, subject to the participant's right to deny or withdraw consent at any time.
- (3) The program management must allow representatives of the State Ombudsman Program to examine a participant's clinical records with the permission of the participant or the participant's legal representative, subject to State law.
- (i) *Telephone*. The participant has the right to reasonable access to use a telephone where calls can be made without being overheard.
- (j) *Personal property*. The participant has the right to have at least one change of personal clothing.

(k) Self-administration of drugs. An individual participant may self-administer drugs if the interdisciplinary team has determined that this practice is safe for the individual and is a part of the care plan.

§52.71 Participant and family caregiver responsibilities.

The program management has a written statement of participant and family caregiver responsibilities that are posted in the facility and provided to the participant and caregiver at the time of the intake screening. The Statement of responsibilities must include the following:

- (a) Treat personnel with respect and courtesy;
- (b) Communicate with staff to develop a relationship of trust;
- (c) Make appropriate choices and seek appropriate care;
- (d) Ask questions and confirm understanding of instructions;
- (e) Share opinions, concerns, and complaints with the program director;
- (f) Communicate any changes in the participant's condition;
- (g) Communicate to the program director about medications and remedies used by the participant;
- (h) Let the program director know if the participant decides not to follow any instructions or treatment; and
- (i) Communicate with the adult day health care staff if the participant is unable to attend the adult day health care program.
